ORDERING TERMS

Check one box to confirm how customer will order:

Customer will send email to orderneochromes@iotamerica.com with details of their order (standard).

Customer will place order electronically through Opticom.

Customer will set up FTP server.

PAYMENT TERMS

Check all boxes to confirm that the customer agrees to:

Customer will pay by check.

Net 30 payment terms.

Late fee charge of 1% for every 30 days late.

SHIPPING TERMS

Check all boxes to confirm that the customer agrees to:

Ground shipping is free to customers for orders over 10 pair. For orders less than 10 pair, customer will be charged FedEx Ground rates.

All shipments will ship FedEx Ground unless customer specifies something different when placing the order. For second-day or overnight requests, the customer will be charged FedEx rates.

Receive tracking information automatically after each order. Email:

NOTE: For all international shipments, IOT may use a different carrier, but will ship Ground speed.

If any boxes are NOT checked, or if the customer set-up will deviate from standard terms, explain below:
